Your ultimate Gold Coast holiday...

Welcome to the July 2008 edition of the SunMore Holidays e-Newsletter.

UPDATED WEBSITE:

We have just updated our website to make it more informative and easier for our clients to navigate. Check it out on www.sunmore.com.au.

Your comments and suggestions to info@sunmore.com.au will be most appreciated.

Properties:

At SunMore, we only advertise on our website the properties that we manage. Properties are added to our holiday apartments pool only if they meet the minimum standards that we have set.

This way we are able to maintain a consistently high standard of accommodation and service for our guests, and to use our guests' feedback to improve our service and to introduce improvements to our properties.

For example, in response to guests' suggestions we are installing a second TV in the master bedroom of all our apartments.

Please check the details and availability of each apartment and make on-line bookings through our website www.sunmore.com.au.

Winter Bargains:

For details of special deals available during the winter months, please check the Special Deals Page on our website www.sunmore.com.au/special-deals/. Bookings can be made on line or by telephoning 1300 664 396.
